

Strand 1: Human Growth and Development

Standard HP1.1: Understanding of the nature of human growth and development

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
<ol style="list-style-type: none"> 1. Explain the characteristics and the functions of the external organs. 2. Explain the methods of taking care of the external organs. 	<ol style="list-style-type: none"> 1. Explain the characteristics and the functions of the internal organs. 2. Explain the methods of taking care of the internal organs. 3. Explain the nature of human life. 	<ol style="list-style-type: none"> 1. Explain the characteristics and the growth of the human body. 2. Compare their growth with standard criteria. 3. Specify the factors affecting the growth. 	<ol style="list-style-type: none"> 1. Explain the physical and the mental growth and the development in accord with their ages. 2. Explain the importance of muscles, bones and joints affecting health, growth and development. 3. Explain the methods of taking care of muscles, bones and joints for efficient functioning. 	<ol style="list-style-type: none"> 1. Explain the importance of the digestive and the excretory systems on health, growth and development. 2. Explain the methods of taking care of the digestive and the excretory systems for normal functioning. 	<ol style="list-style-type: none"> 1. Explain the importance of the reproductive and the circulatory systems affecting health, growth and development. 2. Explain the methods of taking care of the reproductive, the circulatory and the respiratory systems for normal functioning.

Grade-level Indicators			Interval Indicators
Grade 7	Grade 8	Grade 9	Grades 10-12
<ol style="list-style-type: none"> 1. Explain the importance of the nerve and the ductless gland systems affecting health, growth and development of teenagers. 2. Explain the methods of taking care of the nerve and the ductless gland systems for normal functioning. 3. Analyse the conditions of their own physical growth with standard criteria. 4. Search for the guidelines for self-development to attain growth in accord with their ages. 	<ol style="list-style-type: none"> 1. Explain the changes in physical, mental, emotional, social and intellectual respects of teenagers. 2. Specify the factors affecting growth and development in physical, mental, emotional, social and intellectual respects of teenagers. 	<ol style="list-style-type: none"> 1. Compare the changes in physical, mental, emotional, social and intellectual respects at each stage of life. 2. Analyse the social influences and the expectations on the changes of teenagers. 3. Analyse the advertising media influencing growth and development of teenagers. 	<ol style="list-style-type: none"> 1. Explain the processes of strengthening and maintaining efficient functioning of various organ systems. 2. Plan for health care in accord with conditions of their own growth and development and those of their family members.

Strand 2: Life and Family

Standard HP2.1: Understanding and appreciation of oneself; family; sex education; and having life skills

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
<ol style="list-style-type: none"> 1. Specify family members, love and bonds among family members. 2. Tell what they delight in and are proud of themselves. 3. Tell the characteristics of the differences between males and females. 	<ol style="list-style-type: none"> 1. Specify their roles, duties and those of their family members. 2. Tell the importance of friends. 3. Specify the behaviours appropriate to sex. 4. Explain the pride in being female or male. 	<ol style="list-style-type: none"> 1. Explain the importance and the differences of the family to them. 2. Explain the methods to establish the relationships in the family and groups of friends. 3. Tell the methods of avoiding behaviours conducive to sexual harassment. 	<ol style="list-style-type: none"> 1. Explain the characteristics of friends and of good family members. 2. Exhibit their behaviours appropriate to their gender in accord with Thai culture. 3. Cite examples of the methods of refusing harmful and inappropriate actions in sexual affairs. 	<ol style="list-style-type: none"> 1. Explain the sexual changes and conduct themselves appropriately. 2. Explain the importance of a warm family in accord with Thai culture. 3. Specify the desired and undesired behaviours in resolving the conflicts in the family and groups of friends. 	<ol style="list-style-type: none"> 1. Explain the importance of establishing and maintaining the relationships with others. 2. Analyse the risk behaviours conducive to sexual intercourse, contracting AIDS and premature pregnancy.

Grade-level Indicators			Interval Indicators
Grade 7	Grade 8	Grade 9	Grades 10-12
<ol style="list-style-type: none"> 1. Explain the appropriate methods for self-adjustment to physical, mental and emotional changes and sexual development. 2. Show the skills in refusing sexual harassment. 	<ol style="list-style-type: none"> 1. Analyse the factors influencing attitudes about sexual affairs. 2. Analyse the problems and the effects of having sexual intercourse at school age. 3. Explain the methods of self-protection and avoid sexually transmitted diseases, AIDS and unwanted pregnancy. 4. Explain the importance of gender equality and conduct themselves appropriately. 	<ol style="list-style-type: none"> 1. Explain mother-and-child health, family planning and the appropriate method for self-conduct. 2. Analyse the factors affecting pregnancy. 3. Analyse the causes and propose the guidelines to prevent and solve family conflicts. 	<ol style="list-style-type: none"> 1. Analyse the influences of family, friends, society and culture on sexual behaviour and their lifestyle. 2. Analyse the values of sex in accord with Thai and other cultures. 3. Select appropriate skills in preventing and reducing conflicts and solving problems concerning sexual affairs and family affairs. 4. Analyse the causes and the effects of possible conflicts among the learners or the youths in the community and propose the guidelines to solve the problems.

Strand 3: Movement, Physical Exercise, Games, Thai and International Sports

Standard HP3.1: Understanding and having skills in movement; physical activities; playing games and sports

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
<ol style="list-style-type: none"> 1. Move body while standing still, moving and using equipment. 2. Play miscellaneous games and participate in physical activities requiring natural movement. 	<ol style="list-style-type: none"> 1. Control body movements while standing still, moving and using equipment. 2. Play miscellaneous games and participate in physical activities requiring movements while standing still, moving and using equipment. 	<ol style="list-style-type: none"> 1. Control body movements while standing still, moving and using equipment. 2. Move body using the kinesthetic skills in playing miscellaneous games. 	<ol style="list-style-type: none"> 1. Control themselves using integrated kinesthetic skills while standing still, moving and using equipment. 2. Practise free-hand physical exercises in accord with the rhythm. 3. Play imitating games and activities in relays. 4. Play at least one kind of basic sports. 	<ol style="list-style-type: none"> 1. Arrange the patterns of integrated movements and control themselves using kinesthetic skills in accord with the patterns prescribed. 2. Play games leading to sports chosen and the kinesthetic activities in relays. 3. Control movements regarding accepting and using forces and balance. 	<ol style="list-style-type: none"> 1. Show the kinesthetic skills with others in relays and in integration while standing still, moving and using equipment and the movements attuned to songs. 2. Classify the kinesthetic principles regarding accepting and using forces and the balance of body movements in playing games and sports, and apply the results to improve their practices and those of others.

Grade-level Indicators			Interval Indicators
Grade 7	Grade 8	Grade 9	Grades 10-12
<ol style="list-style-type: none"> 1. Increase their own capacities in line with the kinesthetic principles that use the mechanical and the basic principles leading to playing sports skills. 2. Play one kind of Thai and international sports in individuals and in teams using the basic skills of the sports. 3. Participate at least one recreational activity and apply it into learning other learning areas. 	<ol style="list-style-type: none"> 1. Apply the results of self-conduct regarding the mechanical and the kinesthetic skills in playing sports from a variety of data sources into the conclusion of their own contexts. 2. Play one kind of Thai and international sports in individuals and in teams. 3. Compare the efficiency of patterns of movements affecting playing sports and activities in daily life. 4. Participate in at least one recreational activity and apply the knowledge and the principles gained into their daily lives. 	<ol style="list-style-type: none"> 1. Play one kind of Thai and international sports, using their own techniques. 2. Apply the principles, the knowledge and the kinesthetic skills, the physical activities, the games and sports to strengthen their health continuously. 3. Participate in at least one recreational activity and transfer the knowledge and the methodology to others. 	<ol style="list-style-type: none"> 1. Analyse the concepts of various patterns of movements in playing sports. 2. Use their capacities for increasing team potential, bearing in mind the effects on others and on the society. 3. Play one kind of Thai sports, international sports in singles/doubles and in team. 4. Perform the movements creatively. 5. Participate in the out-of-school recreational activities, and apply the principles and the concepts into improving and developing their own quality of life and of the society.

Strand 3: Movement, Physical Exercise, Games, Thai and International Sports.

Standard HP3.1: Understanding and having skills in movement; physical activities; playing games and sports

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
				<p>4. Perform the mechanical skills in participating in physical activities and playing sports.</p> <p>5. Play one kind of Thai and international sports in individuals and in teams.</p> <p>6. Explain the principles and participate in at least one recreational activity.</p>	<p>3. Play one kind of Thai and international sports in individuals and in teams.</p> <p>4. Use the mechanical skills to improve and increase their own capacities and those of others in playing sports.</p> <p>5. Participate in at least one recreational activity, and apply the knowledge or the principles obtained into studying and seeking other learning areas.</p>
