<ol style="list-style-type: none"> 1. Analyse the roles, the functions and the differences of types of financial institutions and the central bank. 2. Cite examples of economic dependence and the competition in the country. 3. Specify the factors influencing determination of demand and supply. 4. Discuss about the effects of intellectual property laws. 	<ol style="list-style-type: none"> 1. Discuss about various economic systems. 2. Cite examples of the economic dependence and the competition in the Asian region. 3. Analyse the distribution of resources in the world affecting the international economic relations. 4. Analyse the internal and the external trade competition affecting the production quality, and quantity and the prices of goods. 	<ol style="list-style-type: none"> 1. Explain the government's roles and functions in the economic system. 2. Express the opinions about the government's economic policies and activities affecting individuals, groups of people and the nation. 3. Discuss about the roles and the importance of international economic groupings. 4. Discuss the effects of inflation and the liquidity shortage. 5. Analyse the disadvantages of unemployment and the guidelines to solve unemployment problems. 6. Analyse the causes and methods of international trade discrimination. 	<ol style="list-style-type: none"> 1. Explain the government's roles concerning financial and local policies in the national economic development. 2. Analyse the effects of economic liberalisation affecting Thai society. 3. Analyse the advantages and the disadvantages of the international economic cooperation in various forms.

Strand 4: History

Standard SO4.1: Understanding of the meaning and the significance of historical times and periods; and ability to use historical methodology for systematic analysis of various events

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
<ol style="list-style-type: none"> 1. Tell the days, months, year and the counting of time period, based on the calendar used in daily life. 2. Make a sequence of the events in daily life, based on the day and time of the events. 3. Tell their own origins and those of their families by asking those concerned. 	<ol style="list-style-type: none"> 1. Use specific terms for the times of events in the past, present and future. 2. Make sequences of the events in their families or in their own lives using relevant evidence. 	<ol style="list-style-type: none"> 1. Compare the important eras, based on the calendar used in daily life. 2. Make sequences of the important events in school and in community using relevant evidence and data sources. 	<ol style="list-style-type: none"> 1. Count the time period by decade, century and millennium. 2. Explain the ages in studying the brief history of mankind. 3. Categorise the evidence used in studying historical development of the local area. 	<ol style="list-style-type: none"> 1. Investigate historical development of the local area using a variety of evidence. 2. Collect data from various sources in order to reasonably answer the historical questions. 3. Explain the differences between truths and facts concerning the history of the local area. 	<ol style="list-style-type: none"> 1. Explain the importance of historical methodology in making a simple study of historical events. 2. Present data from a variety of evidence in order to understand events of the past.

Grade-level Indicators			Interval Indicators
Grade 7	Grade 8	Grade 9	Grades 10-12
<ol style="list-style-type: none"> 1. Analyse the importance of time in studying history. 2. Compare the eras used in the various systems for studying history. 3. Apply the historical methodology to study historical events. 	<ol style="list-style-type: none"> 1. Evaluate the reliability of historical evidence in various forms. 2. Analyse the differences between truths and facts of historical events. 3. Recognise the importance of interpreting the reliable historical evidence. 	<ol style="list-style-type: none"> 1. Reasonably analyse the historical matters and the important events using historical methodology. 2. Apply historical methodology to study various matters of their interests. 	<ol style="list-style-type: none"> 1. Be aware of the importance of the historical times and the periods indicating the changes in the development of mankind. 2. Create new bodies of historical knowledge through the systematic application of historical methodology.

Strand 4: History

Standard SO4.2: Understanding of the development of mankind from the past to the present; realising the importance of the relationships and the continuous changes of events, and ability to analyse their effects

Grade-level Indicators

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
<ol style="list-style-type: none"> 1. Tell the changes in environmental conditions, objects, utensils and lifestyles between their own time and the times of their parents and grandparents. 2. Tell the events of the past affecting themselves at present. 	<ol style="list-style-type: none"> 1. Search for the changes in the ways of daily life of their community members from the past to the present. 2. Explain the effects of the changes on the community members' ways of life. 	<ol style="list-style-type: none"> 1. Specify the factors influencing the settling and development of the community. 2. Summarise the important characteristics of the customs, traditions and culture of the community. 3. Compare the cultural similarities and differences of their own community and other communities. 	<ol style="list-style-type: none"> 1. Explain in brief the settling and the development of human beings in the pre-historic and historic ages. 2. Cite examples of the historical evidence found in the local area that show mankind development. 	<ol style="list-style-type: none"> 1. Explain in brief the influence of Indian and Chinese civilisations on Thailand and on Southeast Asia. 2. Discuss in brief the influence of foreign cultures on the present Thai society. 	<ol style="list-style-type: none"> 1. Explain the present social, economic and political situations of Thailand neighbouring countries. 2. Tell in brief the relationship of the ASEAN Group.
